

# Short CV

*Mihail Barboiu received his PhD in 1998 from University of Montpellier II before spending 2 years as Associate Professor at College de France, with Prof. Jean-Marie LEHN at the Supramolecular Chemistry Laboratory, at University Louis Pasteur, Strasbourg. Since 2001, he has been CNRS Research Fellow and then Group Leader/Senior Researcher at the Institut Européen des Membranes in Montpellier, France and Associate Professor at University Politehnica of Bucharest, Romania. A major focus of his research is Dynamic Constitutional Chemistry of functional adaptive systems: biomimetic membranes, biosensors, etc. Authors of more than 130 scientific publications, Dr. Barboiu has received in 2004 EURYI Award in Chemistry.*

## Abstract Bibliography
